

# YOU'RE INVITED!

## Cities and Farms Working Together

Join us for a bus tour of conservation! We'll stop at two local farms and a city drinking water plant. See how the City of Cedar Rapids and upstream farmers are working together to improve drinking water sources and ensure the water is clean, safe, and great tasting!

**May 16**

**9 a.m. - 12:30 p.m.**

With RCPP meeting and Soil and Water Conservation Society Mixer to follow

### Greene Square

(next to the downtown Cedar Rapids public library) Cedar Rapids, IA 52401

#### WHAT YOU'LL EXPERIENCE:

- A restored wetland
- No-till and cover crops
- Filter strips and prairie strips
- The drinking water purification process

IOWA'S  
**DEFINING  
DECADE.**

## FIELD DAY SERIES

Recognizing 10 years of progress in the Iowa Nutrient Reduction Strategy to improve your communities' water quality.

#### RSVP HERE

Lunch will be provided. Please RSVP so we can plan for your plate!

Hosted by the City of Cedar Rapids and Iowa Agriculture Water Alliance
